Dear Mr. Hinton,

We are pleased to announce that as a member of IQNet (a global network of certification bodies); DQS Inc. is now able to provide our customers with an additional certificate containing the IQNet logo. Beginning in 1990, IQNet has developed a network of partner organizations including 35 certification bodies to enable market recognition to global customers on a worldwide basis. IQNet is the largest certification network in the world with over 300,000 organizations certified by IQNet members in more than 150 countries.

An IQNet certificate will enhance the standing of our customers currently engaged in or planning to pursue business relations outside the USA. Additionally, the recognition of your management system certification will get a boost, worldwide, through an IQNet Certificate.

During the next DQS Inc. certificate renewal we will offer you an additional IQNet certificate. If you wish to obtain an IQNet certificate prior to the renewal of your current DQS Inc. certificate please contact us at customerservice@dqsus.com.

Sincerely,
